

G 435 Bistro

Grease and protein releaser

Fields of application

- For maintenance cleaning and intensive cleaning of alkali-resistant materials, floors and surfaces.
- Especially suitable for use in areas handling foodstuffs such as production facilities, large kitchen and gastronomy.
- Especially suitable for foam cleaning on vertical surfaces.
- Removes heavy oil, grease and protein soil.

Product advantages/properties

- High grease and protein emulsifying action.
- Excellent cleaning performance.
- Stable foam structure allows good adhesion.
- Suitable for use in low pressure and high pressure cleaning machines and a foam gun.
- Fast separating in accordance with ÖNORM B 5105.
- Toxicity properties comply with requirements for areas handling foodstuffs.
- RK listed.
